The following is an overview of your escrow account with Shellpoint Mortgage Servicing. It contains the history of escrow payments made on your behalf in the prior year, and a snapshot of the anticipated disbursements for the coming year. Any potential adjustments due to increases or decreases with your escrow items may affect your monthly escrow payment. If your escrow payment increases, your monthly payment will also increase. If the escrow payment decreases, your mortgage payment will decrease.

**Cushion Calculation:** Because Shellpoint Mortgage Servicing does not set your tax amounts or insurance premiums, your escrow balance contains a cushion of 919.38. A cushion is an additional amount of funds held in your escrow in order to prevent the balance from becoming overdrawn when an increase in the disbursement amount occurs. Your lowest monthly balance should not be below 919.38 or 1/6 of the anticipated payment from the account

**\*\* Since you are in an active bankruptcy, your new payment shown above is the post-petition payment amount.**

This is a statement of actual activity in your escrow account from May 2024 to Apr 2025. Last year's anticipated activity (payments to and from your escrow account) is next to the actual activity.

This surplus must be returned to you unless it is less than \$50.00, in which case we have the option of retaining in your escrow account and lowering your monthly payments accordingly. As the loan is delinquent, we will not be sending a check for the surplus. A check will be mailed within 30 days from the date of the analysis if your loan is current.

We anticipate the total of your coming year bills to be 5,516.30. We divide that amount by the number of payments expected during the coming year to obtain your escrow payment.
